Our physicians, nurses and staff work together every day to achieve the highest standards of care. Just a few of the honors our dedicated staff has earned include:

- The Golden GIFT Award (Guided Infant Feeding Techniques) as well as GIFT Certification for continuous commitment to breastfeeding and quality improvement.

- Recognition by the International Board of Lactation Consultant Examiners (IBCLE) as a maternity center that provides exemplary breastfeeding support.

- Recognition for spearheading the 39-week initiative to end all pre-term elective births, reducing the number of babies born into the NICU by 20 percent.

- Certification as Louisiana’s only 3-time Nursing Magnet Hospital.
