

MASK UP LOUISIANA

**When you wear a mask, YOU PROTECT OTHERS.
When others wear a mask, THEY PROTECT YOU.**

In accordance with the Jefferson Parish Government Proclamation, masks are **REQUIRED** upon **ENTRANCE** and **EXIT** of the Wellness Center effective Wednesday, July 1st. Members and visitors will not be required to wear their masks while working out.

The facility guidelines remain the same:

- Clean your equipment after use.
- Wear a mask when not working out.
- Wash your hands regularly.
- Maintain a social distance of 6 ft with other members.

We thank you for your dedication and loyalty as we navigate through this together.
