---

---

The physicians at East Jefferson General Hospital have requested that a registered nurse be available to provide telephone follow-up after your hospital stay to monitor your progress following discharge. A Health Advocate Nurse will contact you approximately 3-5 days after your discharge, then at 2 weeks after your discharge. Participation is voluntary; however, we would like to have you as an active participant in our program. Please feel free to contact the Health Advocate Nurse for any questions regarding discharge instructions or if you are uncertain about some aspect of your care.

The Health Advocate Nurse can be reached at (504) 503-7112. Call Center hours are Monday-Wednesday and Friday from 7am to 4pm. The office is closed on Thursday and weekends. Please call MD or 911 for urgent calls.
